

Signs of Safety

FREE half day workshop:

To enable practitioners from partner agencies to make effective contributions to casework with children and families by building an understanding of the Signs of Safety approach.

Session Trajectory:

During the session we will explore:

1. The values that drive the SofS practice
2. The principles that give a vision of what good SofS practice looks like
3. The processes that workers will follow to help families and their networks create and stick to plans that make a real difference for their children/young people.
4. The practice tools that workers will be using with families, their children/young people, and networks.
